

Betta's Racing Stars

Roaring engines...Burning rubber...Screaming fans....

The 2006 V8 race season is almost here and PEP Central is gearing up for a big one!

In January this year, PEP Central held a photo shoot with Craig Lowndes and Jamie Whincup - Team Betta's racing stars – and their performance vehicles. The shots will be utilised in numerous catalogues and promotions for Betta Electrical National Campaigns throughout 2006.

Don't forget that you can see the boys in action from the 23rd until the 26th March when the V8 racing season opens with the Clipsal 500 in Adelaide.
