

Going Great Guns at the Galley Club Awards

Hannanprint NSW and FPC Magazines have both been awarded five Galley Club Awards at the recent 30th Annual Galley Club Awards.

The awards were won across a number of titles including FastFours, Notebook: September issue and Notebook: November issue.

The Galley Club of Sydney has been fostering excellence in publishing for more than 30 years. Each year the Club hosts the awards ceremony to celebrate excellence in book and magazine production.

The Galley Club is an association with members from many production related avenues of the publishing and printing industries.

It describes itself as the link between the two industries, facilitating information exchange on technical and other issues impacting upon them.

Through its active website, development seminars and workshops, social networking events and the Annual Awards for excellence, the Galley Club continues to provide a valuable and much needed forum for people working in the publishing and printing arena.

The Galley Club Awards acknowledge the individuals, publishers and printers who have excelled in the preceding year and they are presented to the production manager and printer of each winning publication.

Entries are judged on the function and quality of their design, production, prepress, printing and binding in accordance with established industry guidelines.

The results reflect the outstanding efforts put in by everyone at Hannanprint NSW and FPC Magazines involved in the creation and production of these great Galley Club Award Winning publications.
