NEW FROM INTECH AUSTRALIA!!

Colour Management Workshop

This workshop is aimed at everyone who is working with colour from the creative to the final print reproduction stage. It is designed to provide an in-depth look at the real meaning behind the terms colour management, colour models, profiling, calibration, workflows, proofing and printing press analysis.

This half day workshop provides a little something for anyone who is involved in the day to day tasks of working with colour.

Please visit the Intech website at www.intechaustralia.com.au for a list of forthcoming dates.
